

EXCLUSIVE AND LIMITED 30-YEAR

WARRANTY FOR iLEVEL® TRUS JOIST® PARALLAM® PLUS PSL COMPOSITE LUMBER PRODUCTS

Guaranteed Against Manufacturing Defects, Termites and Rot.

You can specify and use Parallam® Plus parallel strand lumber (PSL) with confidence. Not only is it backed by extensive testing and experience from numerous projects, but it also carries a pair of limited warranties. Parallam® Plus PSL, with Wolmanized® preservative protection, is warranted against manufacturing defects by iLevel, the manufacturer of Parallam® Plus PSL, and against termites and fungal decay by the Arch Wood Protection Inc., licensor of the Wolmanized brand of pressure-treated lumber.

Unmatched Features for Outdoor Beams, Headers and Columns.

- Compatible with standard framing methods; readily modified on-site using common tools and labor skills.
- Product may be left natural, clad or stained.
- Treated throughout the cross section with genuine Wolman® preservative and kiln dried after treatment for top performance.
- Treated for exterior, ground contact, saltwater splash column applications (CCA-C) as well as aboveground beam / header applications (copper azole), as specified by American Wood Protection Association Standard U1.
- Manufacture and treatment are monitored by accredited independent inspection agencies (PFS and TPI).
- Environmentally responsible because it is made from renewable resources, manufactured in a manner that uses the majority of each tree for structural products, treatment extends the life of the wood.

ARCH WOOD PROTECTION, INC. PARALLAM® PLUS PSL 30-YEAR LIMITED WARRANTY.

Arch Wood Protection Inc. warrants that its Wolman® brand wood preservatives will protect Parallam® Plus PSL against any damage by termites or fungal decay that would make the Parallam® Plus PSL structurally unfit for the application for which it was properly intended.

Parallam® Plus PSL is treated with either CCA-C or copper azole. This warranty is good from the date of purchase for a period of 30 years thereafter on any Parallam® Plus PSL treated by an approved treater under and in conformity with the American Wood Protection Association Standards U1 and T1 with the minimum specified retention for Wolman wood preservatives, and displaying the quality mark

of Timber Products Inspection, Inc., the certified inspection agency. In the event that Parallam® Plus PSL is made structurally unfit by termites or fungal decay, Warrantor's entire liability to the owner, and owner's sole and exclusive remedy, will be to receive new Parallam® Plus PSL in exchange for the damaged Parallam® Plus PSL, or at Warrantor's option, Warrantor shall replace the damaged Parallam® Plus PSL with another Wolmanized® timber product. Owner will be responsible for all related costs and expenses in connection with the replacement materials, including the cost of installation or reinstallation, the cost of removing any nonconforming products, and transportation and labor costs. To make arrangements for the receipt of replacement materials, the owner must send the original purchase invoice, showing the date of purchase and showing that sufficient Parallam® Plus PSL has been purchased to cover the number of board feet claimed to be damaged, to Warrantor, the licensor of the trademark, at:

**Wolmanized® Wood
Arch Wood Protection, Inc.
1955 Lake Park Drive, Suite 250
Smyrna, GA 30080**

Owner must submit, if requested, to an inspection at the site of the damaged Parallam® Plus PSL and to allow engineered testing by or on behalf of Warrantor, if required, in order to confirm the cause of the damage.

Warrantor shall not be liable hereunder for damage resulting from improper workmanship or installation, or damage to Parallam® Plus PSL used in saltwater applications which support degradation due to marine organisms, in direct contact with caustic fertilizers or other chemicals, in direct contact with animal wastes, and other applications requiring treatment retention levels exceeding those required for CCA-C treatment for Use Category 4B (for ground contact columns) or copper azole treatment for Use Category 4A (for aboveground beams/headers). Further, Warrantor shall not be liable

for any damage of any nature, kind or character, including damage resulting from the negligence or default of the Warrantor, except for damage to Parallam® Plus PSL resulting from decay caused by fungus or termite attack. Owner is hereby advised that Warrantor did not produce or manufacture Parallam® Plus PSL and that Warrantor only produced the products that were used in treating the Parallam® Plus PSL for fungus and termite protection. Accordingly, Warrantor shall not be liable for any damage resulting from manufacturing defects of Parallam® Plus PSL, for weathering, seasoning, twisting, swelling or warping of Parallam® Plus PSL. See iLevel's warranty covering Parallam® Plus PSL.

No dealer, salesman, representative or other person is authorized to make any warranties with respect to Parallam® Plus PSL, extend the warranty period, or otherwise change, modify or amend the provisions of this Limited Warranty.

iLEVEL® PARALLAM® PLUS PSL 30-YEAR LIMITED WARRANTY.

iLevel warrants that Parallam® Plus PSL is free from manufacturing errors or defects in workmanship and material. This limited warranty and the design values listed in iLevel's Parallam® Plus PSL Specifier's Guide (reorder #TJ-7102) are only applicable to Parallam® Plus PSL that is treated by an approved iLevel treater.

Warranty Terms.

iLevel will provide new material for any Parallam® Plus PSL that does not conform to the terms of this warranty. New material provided in connection with this warranty will be delivered at iLevel's expense to the project site. Purchaser shall assume all expenses related to removal of nonconforming product and installation of new material. Claims shall be made in writing and submitted to the iLevel address to the right. Proof of the date of purchase or date of manufacture must be presented. This warranty is good from the date of purchase for a period of thirty (30) years.

There are no warranties that extend beyond this document and all other expressed or implied warranties, including the warranties of merchantability and fitness, are excluded. iLevel must be notified and given an opportunity to inspect any material claimed defective, and shall not be liable for any incidental or consequential damages.

iLevel assumes no liability for the actual sizing or design criteria selection. It is the responsibility of the specifier to properly evaluate the application conditions and assign the appropriate AWPA Use Category and design criteria.

This warranty does not cover the following conditions:

- Damage resulting from misuse, improper product applications or installation.

- Weathering, checking, seasoning, twisting, surface mold growth, swelling or warping of Parallam® Plus PSL that is common to any wood product.
- Utility structures, such as utility poles and cross arms.
- Parallam® Plus PSL used in saltwater applications which support degradation due to marine organisms, in direct contact with caustic fertilizers or other chemicals, in direct contact with animal wastes, and other applications requiring treatment retention levels exceeding those required for CCA-C Use Category 4B (for ground contact columns) or copper azole Use Category 4A (for aboveground beams/headers)—see Parallam® Plus PSL Specifier's Guide (reorder TJ-7102).
- Damage due to fungal decay or termite infestation. Arch Wood Protection Inc. published warranty addresses the guarantee for treatment effectiveness.

Design Assistance.

iLevel publishes a Parallam® Plus PSL Specifier's Guide (reorder TJ-7102) that provides Parallam® Plus PSL material specifications, outlines in-use maximum moisture content service levels, provides beam and column sizing information, and provides general design assistance. Additional technical assistance can be obtained by phoning 1-888-453-8358.

General Exclusions and Application of State Law.

There are no warranties other than those expressly set out in this document and all other express or implied warranties, including warranties of merchantability and fitness for intended use, are excluded.

In no event shall Warrantor be liable in contract or in tort, or under any other legal theory for lost profits or revenues, loss of use or similar economic loss, or for indirect, special, incidental, consequential or similar damages, even if the Warrantor has been advised of the possibility of such claim. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

These warranties gives you specific legal rights, and you may also have other rights which vary from state to state. These limited warranties are transferable and apply to any current owner of a home in which Parallam® Plus PSL is installed.

How can I get warranty service?

If a claim is not resolved within 30 days after notice to the installer or builder, written notice must be given directly to iLevel, by certified mail, to:

**Weyerhaeuser Company
Product Assurance Group
PO Box 9777
Federal Way, WA 98063-9777
